

Speaker Photo Specifications

To ensure we can promote your talk effectively across our digital and print platforms we kindly request that you supply us with a photograph that meet the specifications listed below.

We love choice, so if you have more than one photo matching the specifications please send them on and we'll pick the best one to integrate with our designs.

If using a professional photo from another conference, please ensure you have permission to use the photo i.e. no copyright.

Your photo must;

- be a colour photograph,
- a minimum size of 1200 x 1200 pixels,
- have both shoulders visible,
- and have your full head and hairstyle visible.

Your photo should not;

- be a selfie,
- be black and white,
- crop into your head / hair,
- have either of your shoulders excluded from the photograph.

Photo is black and white.

Top of the head/hair is cut off, shoulders are not visible.

Shoulder cut-off. Both shoulders should be visible.

Shoulders are not visible.
